Html form templates free with css

A login form template with a light gray background. It features a 'Username' input field with a person icon and a 'Password' input field with a lock icon. Below these is a green 'Login' button and a 'Register' link with a person icon. A horizontal line with 'OR' in the center separates this from a row of social media icons: Facebook (f), Twitter (bird), and Google+ (g+).

A 'Sign Up' form template with a dark blue background and orange accents. It includes input fields for 'First Name', 'Last Name', and 'Screen Name'. The 'Date of Birth' field uses dropdown menus for month (May), day (5), and year (1985). There are radio buttons for 'Gender' (Male/Female) and a dropdown for 'Country' (USA). Below are fields for 'E-mail', 'Phone', 'Password', and 'Confirm Password'. A checkbox for 'I agree to the Terms of Use' is at the bottom, followed by 'Submit' and 'Cancel' buttons.

A 'CONTACT US' form template with a yellow header bar containing a pencil icon and the text 'CONTACT US: Here you can get it touch with our team.' The form has fields for 'Name', 'E-mail', 'Phone', and 'Subject' (with a dropdown menu showing 'Sales Query'). A large text area for 'Message' is below. A 'Send' button is at the bottom right. A tooltip above the Name field says 'Please type your full name'.

A collection of various HTML form input types. It includes: 'URL + Autofocus' (http://), 'Email' (name@example.com), 'Password' (Alphanumeric123!), 'Datetime local', 'Number', 'Tel (phone)', 'Datetime', 'Date', 'Month', 'Search', 'Range', and 'File upload' (with a 'Browse...' button). Below these are examples of 'Input - Submit', 'Input - Button', 'Input - Reset', and 'Button Tag'.

Html form templates free download with css. Simple form templates free download html with css. Html registration form templates free download with css.

A free HTML5 contact request template with Lead Gen's quizzes provides first-class performance at all times. We have found many other contact details on the contact page, including information, support questions, visual contact forms, email address, application destination page contacts and others.
