

**3rd International Conference on
Biomedical Sciences
And
Young Scientists Prominence Award**

Sponsorship Opportunities

Dear Colleagues

We would like to invite you to become a sponsor of the “3rd International Conference on Biomedical Sciences and Young Scientists Prominence Award” which is going to be held in August 19-20, 2016 at Marriot Hotel, Islamabad Pakistan.

We are diligently working on bringing the most knowledgeable researchers from all over the world, as well as leaders in the industry to explore the important research.

We are looking for academic as well as industrial sponsors/exhibitors for the event of ScienceVier on August 19-20, 2016 in Pakistan. This would be a wonderful opportunity for your organization to have high visibility.

Sponsoring /exhibiting at ScienceVier event 2016 will bring your esteemed company visibility among the scientific community and will be an outstanding opportunity to showcase your company methodologies, tools, products, services and share your success stories of the business with the Participants.

We invite you to be a partner with us in this event. Below are options designed to assist you in finding the right level for your budget and your time. Please review and let us know if you have any questions, we are happy to find the right fit and level for your organization. You can email your interest level back.

Looking forward to see your participation as Sponsor or Exhibitors in this event.

Warm Regards,

Ali Mudassar
Manager Marketing

About ScienceVier

ScienceVier is a leading open access scientific research publishing and conference organizing body with an aim to promote scientific knowledge and innovative investigations to serve the worldwide academic communities and contributes to the progress and application of science, technology and medicine. ScienceVier links up international scientists, researchers and scholars to share their great scientific exploration to the world.

Conference & YSP Award

3rd International Conference on Biomedical Sciences and Young Scientists Prominence Award (ICMS&YSP) aims to bring together leading academicians, scientists, clinicians, researchers, surgeons, health practitioners, pharmaceutical organizations, Clinical Research Organizations and all concerning personalities of Biomedical sectors to participate and showcase their cogent findings and at the same time get exposed to a useful array of research and latest developments.

Young Scientist Prominence Award (YSPA) aims to explore the research accomplishments of the young scientists and researchers, by deliberating on them the "Young Scientist Prominence Award" to encourage, future scientists that have been dynamically engaged in R&D and publications in Open Access Journals. Young Scientist Prominence Award offers valuable incentives and great opportunities to researchers that have shown great potentiality in their fields of expertise to bring out their innovations and research material.

Why Sponsor ICBS

- Advance scientific knowledge and research to address the major challenges that the societies are facing today.
- Motivate and encourage young researchers and scientists for brilliance and excellence in their relative fields of scientific research
- Stimulate innovation and creativity by giving recognition
- Provide a platform for benchmarking innovators and researchers
- Create an opportunity for the top researcher to represent him/herself internationally
- Provide participants with networking opportunities to form strong scientific community
- Create a larger pool of knowledgeable workers for further research and development
- Inform stakeholders about the present-day scientific and technological developments
